

Hi, I am Phani
I am learning ThreeJS,
but i can build any kind of web application

Work Experience

Projects.

Following will showcase my skills and experience through real-world examples of my work.

Each project is briefly described with links to code repositories and live demos in it. It reflects my ability to solve problems, work with different technologies, and manage projects effectively.

Portifolio
A Portifolio to showcase our skills, experiences, works etc.,

#react #ThreeJS #tailwind

WHAT OTHERS SAY

Testimonials.

"

I thought it was impossible to make a website as beautiful as our product, but Rick proved me wrong.

@Demo User 1

CFO of Demo Company

"

I've never met a web developer who truly cares about their clients' success like Rick does.

@Demo User 2

COO of Demo Company

"

After Rick optimized our website, our traffic increased by 50%. We can't thank them enough!

@Demo User 3

CTO of Demo Company
